

Report: Patrick Hogan Remembrance Cup Oct 2021

On a very chilly Sunday morning 30 children in 8 level and different age groups all joined us to compete in the Patrick Hogan Remembrance Cup, on October 24th in memory of our beloved Trampoline coach and friend Patrick Hogan.

For the first time we were able to welcome children from our program with Family Matters and Chase park, along with our regulars from Friends School, Thorndale gym, German School, and Willye White park.

The competition ranged from younger boys and girls all the way to novice competing for goodie bags full of fun. It was a well balanced competition and the 2021 national level junior competitors Evy Olmstead, Una Reyes, Agnes Nondo, Rusia Ulumwene, and Max Vija showed promising aspects of the future programs.

Thank you to the voluntary judges and the coaches to make it happen that we had 30 children compete all their wonderful routines within the time frame of 2 hours.

Please save the date for next children event, The Season Cup on Dec 19th in Edgewater. This will also include recreational competitive event for teens, and adults of all ages. We look forward to having Duo competition as well. More information will be posted soon.
